

Dear Sharonville Residents and Members,

**Effective January 1, 2011** many of the city's recreation user fees will increase. This includes memberships and rental rates and for the first time, there will be a nominal charge for picnic shelters.

Any rental that is already under contract or any rental that will be placed under contract through December 31, 2010 for 2011, will be able to use the old rate.

You can still purchase or renew your memberships at the old rate through December 31, 2010. You will not lose any time off your membership by renewing early. For example if you purchased your membership on February 1, 2010 and you renew on December 15, your new pass will not expire until February 1, 2012.

Beginning January 1, 2011 there will be a new membership pass system. This system will include a resident pass, business pass and a non-resident pass. We no longer have the term "family" pass but rather now we have a "household" pass.

There are now three tiers to the pass system. Tier 1 is a single-person household. Tier 2 is a two-person household and Tier 3 is a household of up to 5 members. Any household with more than 5 members will be charged an additional \$10 per person. (92% of our family memberships only have up to 5 people in the family).

As in the past, two forms of proof of residency and/or proof of working within the Sharonville city limits will be required to be eligible for a discounted pass. In addition, there is a discount for purchasing a combo pass. In addition anyone who purchases a combo pass will receive **free entry to the nursery** for the duration of the pass.

As background, membership fees (other than the pool) have not been increased since the building expansion in 1996. In 1996, the pool fee was not raised. The pool fees were then increased in 2004 when the new pool was built. Rental rates have not been increased since 1997.
